RE: All Masters Competition Team

Attention All Masters Students and Parents:

It is with great excitement that we announce the formation of the All Masters Competition Team. Members of the competition team will represent our school at tournaments throughout the year, with participation including, but not limited to hand forms, weapon forms, point sparring, weapon sparring, and full contact sparring. Members of the competition team will be required to dedicate a portion of their weekly training schedule to special tournament preparation sessions. Additionally, team members will be required to represent All Masters in two or more tournaments per year.

This is a great opportunity for eager students to elevate their training to the next level. We have had many great achievements at various tournaments and most recently, we placed exceptionally well at the annual kung fu tournament in Baltimore. The All Masters Competition Team will also allow students to focus their training with more intensity and purpose and give a chance to represent All Masters Kung Fu and ourselves with pride. If you have any further questions, please speak with Sifu. Thank you and we hope you will consider joining or allowing your child to join this dynamic team!
